

## INFORMATION

**Name:** Diamondresidence

**Category:** Holiday Village 4 stelle

**Owner:** Diamondresidence S.r.l.

**Location:** Diamante

Diamondresidence is situated in the “**Pearl**” of the Tyrrhenian Sea, Diamante, a place rich of history and art. This town is defined **THE BIGGEST OPEN AIR MUSEUM** in Italy for its **MURALES** painted in all the old centre near the most charming seafront of the coast where you can walk and taste traditional recipes, especially those made with the famous **PEPERONCINO** (hot chilly pepper) of Diamante; it is also worthy to admire the wonderful underwater world around the Island of Cirella or visit the Roman ruins of the territory.

**How to get to:** Coming from the North drive along the A3 Salerno-Reggio Calabria until Lagonegro North, from there take the SS 585 to the Tyrrhenian coast and then drive along the SS 18 Tyrrhenian to the South until Diamante North.

Coming from the South or from Lamezia Terme Airport, take the A3 until Falerna, then take the SS 18 for 90 km and you get to Diamante South. The alternative is the SS 504 that from Mormanno-Scalea leads to the SS 18, and southwards to Diamante . This road is tortuous and longer than others but you can enjoy the beautiful landscape of the Lao Valley.

**Characteristics:** **Diamondresidence** is the perfect place (residence or B&B) where spend your relaxing and enjoyable holidays, guaranteed by its running by specialized staff. **Diamondresidence** is a small diamond on the **Tyrrhenian coast** (700m far from the beach, pebbly and sandy beach), it offers a very cosy atmosphere and a comfortable and peaceful environment. Among secular oaks and olive trees it is situated in a very privileged location which offers the guests a breathtaking view on the coast. From here you could admire wonderful sunsets in tranquility but without giving up amusement.
